REPORT OF STATE TAX COMMISSION NEW HAMPSHIRE

Concord, February 12, 1934.

Board of Selectmen,
William F. Lane, Chairman,
Stoddard, New Hampshire.

Gentlemen :

I submit herewith a report of my audit of the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk and Road Agent of the Town of Stoddard. The following statements are enclosed herewith:—

1. Summary of Receipts and Expenditures for the fiscal year ending January 31, 1934 together with statement of Reconciliation of Treasurer's Bank Balance with Cash Book Balance.
2. John T. W. Mountford, Tax Collector. Summary of Warrants, Tax Levies of 1932 and 1933.
3. John T. W. Mountford, Tax Collector. Remittances to Treasurer, Tax Levies of 1932 and 1933.
4. Louise E. Davis, Town Clerk. Auto Permits and Dog Licenses.
5. Edgar E. Straw, Road Agent. Vouchers issued to Road Agent and Road Agent Payrolls.

As a means of improving some of the existing accounting practises, I make the following recommendations:—

1. All payrolls should be signed by the individual employees whose names appear thereon, including payrolls for snow work.
2. The Town Treasurer should make monthly reports to the Selectmen of receipts, expenditures and cash balances.

3. Town Treasurer should get an Order from the Selectmen for payment of Notes and Interest at the time that such Notes or Interest are paid.
4. All Selectmen's Orders should be paid by Treasurer's checks rather than by cash.

Generally speaking, the accounts of the above mentioned officers were found to have been well-kept and in accordance with the uniform system required by the State Tax Commission. No shortages or irregularities were found to exist in any of the accounts.

Yours very truly,
HAROLD G. FOWLER,
Municipal Accountant,
STATE TAX COMMISSION.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Stoddard, N. H.:

The Superintendent of Schools respectfully submits this his first annual school report. Although I was not superintendent for the time covered by this report, which ended June 30th, 1933, I will make it as fully as I can from the records, as I have been asked to make the report.

Miss Marjorie Record entered upon her second year as our teacher. The school opened with an enrollment of 17; 9 boys and 8 girls. The average membership was 12.6, with a percent of attendance of 91.9, which is not a very good record. We should have at least 97% attendance. There were 22 cases of tardiness, 8 being charged to one pupil, and 28 cases of dismissal. No pupils had perfect attendance for the year.

The Superintendent is credited with 17 visits of supervision and inspection, the school board with 7, and others with 69 visits. There must have been some pupils attending school in other districts, both high and elementary, but I do not have that record.

The grade distribution follows:

Grade	Boys	Girls	Total
1	1	2	3
2	0	0	0
3	0	1	1
4	2	1	3
5	1	1	2
6	1	0	1
7	2	2	4
8	2	1	3
	—	—	—
Total	9	8	17

Standard Achievement Tests were given to 15 pupils, and although too much dependence should not be placed upon results of one set only of such tests, yet the results are interesting.

Twelve of the 15 did as well as the average child ten months older, one did as well as the average child two years older. The same 12 did as well as the average for the next higher grade. Three did not do quite as well as the average for their age. The tests, in so far as they are reliable, show that our children do very well indeed.

I have enjoyed my work here in Stoddard since July 1st, 1933 very much indeed. The children are orderly and studious, the teacher capable and earnest. I have enjoyed meetings with the School Board, and hope, as time passes, to meet all the parents.

Respectfully submitted,

A. A. HOLDEN,

Supt. of Schools.
